JOURNALS on Buzkashi

Your journals this semester will be on Afghanistan, based on the book by Whitney Azoy. For each journal read the assigned chapter carefully and in one to one-and-half pages summarize the most important information.

Then for the personal reaction part of the journal discuss how the material relates to your own experiences and previous knowledge. Discuss what seemed surprising to you and what made sense. What insights does Azoy provide about Afghan lives? The part should also be one to one-and-half pages.

Each journal should total two-and-a-half to three pages typed, double-spaced pages in Times 12-point font with one-inch margins.
