

AARON WILLIAM DOBBS

Professor & Scholarly Communication, Electronic
Resource Development, and Web Librarian
Curriculum Vitae (February 2026)

EDUCATION

Austin Peay State University	Clarksville, TN
• Master of Science in Management, with honor – 2005	
The University of Tennessee	Knoxville, TN
• Master of Science in Library Science – 1994	
Wagner College	Staten Island, NY
• Bachelor of Arts, Psychology – 1990	

LIBRARY EXPERIENCE

Aug 2006 – present **Shippensburg University** Shippensburg, PA
Library Department Chair (2017-2020, 2020-present)

Elected to three-year terms as department chair by the library faculty in 2017, 2020, and 2023. Directs the activities of the department; supports scholarly and professional development of library faculty; reflects majority department faculty sentiment to library and university administration; observes and evaluates library faculty for tenure and promotion; recommends personnel actions, coordinates service-point schedule assignments, recommends library faculty summer schedules to the Dean; administers the Library Research Award; serves on the Library Advisory Council and University Library Committee; and promotes library activities in support of university, curriculum, and general information needs.

Major activities and outcomes include:

- provide connections and introductions to external research and publication opportunities based on prior and current networking with national and international colleagues, professional association memberships, and visibility through association governance activities;
- annually observe, evaluate, and recommend personnel actions for tenured, probationary, and temporary faculty;
- assign library faculty summer service schedules and prioritize proposed projects;
- maintain and update department staffing plan, coordinate tenure-track and adjunct requests to fill documentation, coordinate hiring documentation.
- led Article 29 discussions resulting in acceptance of a retrenched faculty member from another PASSHE university during a tenure-track search;
- reorganized department and committee meetings schedule, minimizing meeting times; and
- clarified and aligned individual faculty goals with department, division, and university goals.

Scholarly Communication, eResource Development, & Web Librarian, Professor (2025-present)

Scholarly Communication Librarian, Professor (2020-2025)

Scholarly Communication Librarian, Associate Professor (2018-2020)

Explores and implements existing and developing models and channels of scholarly communication to provide and improve access to appropriate scholarly resources; explores development of local open access repositories, showcases, and publications; develops faculty and student awareness of open educational resources (OER) and open access (OA) publications in general; integrates library research resources; organizes and maintains library web site content; configures and maintains library web-service

integrations; provides library and research instruction, reference services, and collection development focusing on departments and majors in STEM departments and the College of Business. Chairs the copyright committee. Member of the library strategic planning steering committee.

Major activities and outcomes include:

- as professor (2020-present), collaborated with library department faculty on 6 successful Shippensburg University Technology Fee proposals (\$158,050), securing recurring funding for library technology;
- collaborated with faculty from across the curriculum on two annual cycles (2021 & 2022) of Pennsylvania Grants for Open and Affordable Learning (PA GOAL) external grant proposals to acquire library licensed materials supporting student access to required textbooks and readings;
- proposed, administered, and assessed a fall 2021 OER adoption program, with 9 faculty participants across 11 courses, in collaboration with Library Dean and Provost's Office;
- as associate professor (2018-2020), collaborated with academic-department faculty for 9 successful Shippensburg University Technology Fee renewal proposals (\$304,098), securing additional recurring funding for discipline-appropriate databases and content;
- collaborated with library department faculty on 5 successful Shippensburg University Technology Fee proposals (\$185,500), securing recurring funding for library technology;
- proposed, administered, and assessed a spring 2020 OER adoption program, with 5 faculty participants across 5 courses, in collaboration with Library Dean and Provost's Office;
- reviewed PASSHE/KLN core database subscriptions, refined core database contents for PASSHE-wide contract renewal for KLN consortium core database subscriptions; and
- proposed, administered, and assessed a fall 2018 OER adoption pilot program, with 6 faculty participants across 8 courses, in collaboration with Library Dean and Provost's Office.

Scholarly Communication, eResource Development, & Web Librarian, Associate Professor (2014-2018)

Explores and implements existing and developing models and channels of scholarly communication; integrates online library services, develops and maintains library web site; and provides library and research instruction, reference services. Chairs the copyright committee. Member of the strategic planning steering committee.

Major activities and outcomes include:

- as associate professor (2014-2018), collaborated with academic-department faculty for 19 successful Shippensburg University Technology Fee renewal proposals (\$662,397), securing additional recurring funding for discipline-appropriate databases and content;
- collaborated with academic-department faculty for 4 unsuccessful Shippensburg University Technology Fee renewal proposals (\$250,021);
- collaborated with library department faculty on 13 successful Shippensburg University Technology Fee proposals (\$387,462), securing recurring funding for library technology; met with the PASSHE procurement manager to clarify requirements for 5-year database renewal processes and built a collective understanding of state-level contracting requirements;
- reviewed, revised, and implemented updated consortial "core" database collection, developed and implemented a cost-per-use model to normalize database usage data, and recommended selection and deselection of electronic resource subscriptions;

* Black Text indicates activities since promotion to Professor (2020 – present)

* Purple text indicates activities credited toward promotion to Professor (2013 – 2020)

* Blue text indicates activities credited toward promotion to Associate Professor (2006 – 2013)

* Grey text indicates pre-Shippensburg activities (pre-August 2006)

- implemented LibCal Spaces for One-touch Recording Studio reservations;
- collaborated with information technology services to rebrand the library website with the new university website branding and layout;
- proposed and implemented LibStaffer, LibCal, and LibWizard Springshare modules to improve student experience with existing LibGuides- and LibAnswers-based website; and
- proposed, implemented, and lead annual copyright brown-bag lunch program educating faculty and staff about on-going changes to existing copyright laws and rules.

Systems and Electronic Resources Librarian, Associate Professor (2013-2014)

Systems and Electronic Resources Librarian, Assistant Professor (2007-2013)

Systems and Electronic Resources / Web Librarian, Assistant Professor (2006-2007)

Administers integrated library system, integrates electronic library services, maintains library web site structure and content, provides library and research instruction, provides research assistance services, and oversees collection development for the College of Business.

Major activities and outcomes include:

- as associate professor (2013-2014), collaborated with academic-department faculty for 7 successful Shippensburg University Technology Fee renewal proposals (\$183,497), securing additional recurring funding for discipline-appropriate databases and content;
- collaborated with library department faculty on 1 successful Shippensburg University Technology Fee proposals (\$5,195), securing recurring funding for library technology;
- reviewed and refined database procurement and licensing options for KLN consortium subscriptions, mined subscription statistics and suggested content selection refinements;
- as assistant professor (2006-2013), collaborated with academic-department faculty for 14 (\$453,790) successful Shippensburg University Technology Fee renewal proposals, securing additional recurring funding for discipline-appropriate databases and content;
- collaborated with library department faculty on 1 successful Shippensburg University Technology Fee proposals (\$6,000), securing recurring funding for library technology;
- defined and prioritized requirements and success metrics for KLN consortium RFPs including proposals to qualify database cross-linking vendors (SerialsSolutions 360 Link was selected), to select a discovery layer vendor (EBSCO EDS was selected), and to specify policy considerations for an eBook vendor (YBP was selected);
- persuaded library personnel to explore and pilot a web-scale research discovery layer; proposed a pilot of SerialsSolutions Summon, library administration decided to pilot WorldCat Local, user and library feedback consensus was the discovery layer pilot did not meet library needs;
- prioritized and reorganized library services, redesigned librarian position succession planning, and mapped out possible changes to staff job descriptions in collaboration with the library director, library department committee chair, and former library interim director;
- reimagined library website in collaboration with library web team based on user feedback; designed and built a subject- and resources-based based library website; transitioned the new design from static html pages into the university's web content management system powered by Ektron; redesigned the website structure based on user feedback and implemented subject- and course-based research guides powered by LibGuides;

* Black Text indicates activities since promotion to Professor (2020 – present)

* Purple text indicates activities credited toward promotion to Professor (2013 – 2020)

* Blue text indicates activities credited toward promotion to Associate Professor (2006 – 2013)

* Grey text indicates pre-Shippensburg activities (pre-August 2006)

- proposed, negotiated, and implemented a vendor hosted ERMS, SerialsSolutions 360 Resource Manager and 360 Counter, developed a decision matrix for electronic vs. print serials resources in collaboration with the Collection Management Librarian, and managed database cross-linking, via SerialsSolutions 360 Core and 360 Linker; and
- created and branded search widgets for library subcollections including: the Luhrs library collection, the video collection, the Lehman reference collection, and other library resources.

May 2000 – July 2006 Austin Peay State University

Clarksville, TN

Network Services Librarian, Associate Professor of Library Administration (2006)

Network Services Librarian, Assistant Professor of Library Administration (2001-2006)

Information Services Librarian, Instructor of Library Administration (2000-2001)

Responsible for integration of library services, co-administration of library catalog, maintenance of library web site, provision of library and research instruction, provision of reference services, and oversight of collection development for the School of Business and the Computer Science Department.

Major activities and outcomes include:

- co-designed, in collaboration with the library director, and led the library reorganization team through a process to prioritize library services, shift human resources to higher-priority tasks, and reorganize reporting structures to manage workloads more efficiently;
- proposed, designed, created, adapted, implemented, and maintained several interactive, database-backed web applications, including modular tutorials with quizzes *Plagiarism – The Crime of Intellectual Kidnapping* and *LILT – a Library Information Literacy Tutorial*, and a consortial database subscriptions tracking application *The Tennessee Database of Database Subscriptions*;
- proposed and managed technology fee project proposals for the Library Instruction and Computer Room and the InfoCommons workstations;
- persuaded the technology fee award committee to agree that technology fee proposals for library databases were qualified projects under the technology fee program guidelines;
- proposed, implemented, and maintained ContentDM, a web-based digital library management and access application, for the Digital Library;
- proposed, implemented, and maintained EZProxy services for integration of electronically available resources;
- created a periodicals-use database to leverage seven years of paper-based print periodicals statistics as a collection development tool;
- expanded the use study database to support deselection decisions during a serials cancellation project which trimmed print serials subscription by approximately 45%;
- proposed and implemented Microsoft Terminal Services for streamlined management of the InfoCommons “library databases and internet only” stations;
- trained Library Reserves staff on scanning equipment and procedures for simplified reserves processing;
- co-administered Dynix Horizon, the integrated library system, and Dynix Remote Patron Authentication, for user access validation; and
- administered the lib.apsu.edu domain, later integrated the lib.apsu.edu domain into the new Windows-based apsu.edu domain, and managed configurations and replacements for

* Black Text indicates activities since promotion to Professor (2020 – present)

* Purple text indicates activities credited toward promotion to Professor (2013 – 2020)

* Grey text indicates pre-Shippensburg activities (pre-August 2006)

approximately a dozen servers, and ninety-plus public and staff workstations.

Jan 1999 – Jan 2000 SunTrust Equitable Securities Corporation Nashville, TN
Information Resources Manager
Created, organized, and implemented an Information Resources Center, managed Investment Banking Group document retention policy and compliance, and verified Y2K readiness of systems.

Jan 1996 – Aug 1997 Chattanooga-Hamilton County Library Chattanooga, TN
Librarian (Assistant Branch Manager) (1996-1997)
Librarian (Interim Reference Librarian) (March-June 1997)
Responsible for personnel and branch management in the absence of branch manager, staff and student employee scheduling and coverage, tracking and collection of fines and fees, provision of reference services, oversight of collection development for American History (973s) and Technology (690s), and training branch staff during migration from the card catalog to the online catalog.

Jan 1995 – Dec 1995 Brooklyn Public Library Brooklyn, NY
Librarian I
Provided reference and collection development services in all subject and genre areas, and coordinated special programs including RIF, Inter-branch Pen Pals, and Summer Reading.

Sep 1991 – Aug 1993 New York Public Library New York City, NY
Library Technical Assistant III, Office of Special Collections (February-August 1993)
Library Technical Assistant I, Manuscripts and Archives Section (1992-1993)
Page, Stack Maintenance and Delivery Section (1991-1992)
Evaluated researchers' requests for access to the Special collections, verified and issued permissions for reproduction and use of Special Collections materials in for-profit publications, coordinated reproduction requests, located and retrieved Special Collections materials from secured stacks, and retrieved library materials from closed stacks.

RELATED EXPERIENCE

1997 – present awdventures Shippensburg, PA
Owner/Consultant
Provide computer applications training, home and small business network design and troubleshooting, application troubleshooting and functionality consulting, library-process consulting, research consulting, marketing, financial tracking, and customer satisfaction.

1998 – 1999 Beachaven Vineyards and Winery Clarksville, TN
Renaissance Man
Provided positive customer experience and demonstrated the art and science of oenology and Méthode Champenoise.

1992 – 1993 & 1995 Hogs & Heifers Saloon New York City, NY
Attitude Adjustment Specialist
Provided positive customer experience and security of premises.

August – December 1994 Scholar's Workstation Project Knoxville, TN
On-site Representative, Energy, Environment, and Resources Center (EERC)

Aaron William Dobbs
Curriculum Vitae
Page 5

Trained EERC staff on research applications and search strategies.

1993 – 1994 University of Tennessee Knoxville, TN

Graduate Teaching Assistant, Graduate School of Library and Information Science

Prepared class materials and provided research assistance to professors and students.

1991 – 1992 The Palladium New York City, NY

Attitude Adjustment Specialist

Provided positive customer experience and security of premises.

1990 – 1991 Air Freight Services Windsor Locks, CT

Freight Agent

Provided positive customer experience, payroll delivery, and on-time freight delivery.

1988 – 1990 Wagner College Staten Island, NY

Student Union Evening Manager (1989-1990)

Dormitory Monitor & Receptionist (1988-1990)

Provided positive student experience and building security.

1987 – 1990 Wanona Incorporated Longmeadow, MA

Delivery Driver

Provided positive customer experience and on-time freight pickup/delivery.

May – August 1986 CIGNA Insurance Company Farmington, CT

Workers Compensation Clerk, Temporary

Maintained customer-file confidentiality, routine filing process, and project management tracking.

May – August 1985 Tempos – New England School Supply Agawam, MA

Warehouse Picker/Packer/Shipper, Temporary

Picked and packed orders, managed and loaded shipments, and tracked daily project management tasks.

1983 – 1986 First Church of Christ Longmeadow, MA

Assistant Sexton

Provided physical maintenance of property and premises.

1979 – 1983 The Morning News Springfield, MA

Paperboy

Provided daily newspaper delivery, subscription fee collections, and customer satisfaction.
